PRACTICE

2012-present **New Geographies Journal**
Editor

New Geographies is a journal founded and produced by doctoral candidates at the Harvard University Graduate School of Design and distributed by Harvard University Press.

Editors: Daniel Daou, **Ali Fard**, Daniel Ibanez, Nikos Katsikis, Taraneh Meshkani, Pablo Perez Ramos
www.gsd.harvard.edu/newgeographies

2010-present **Op.N**
Partner

Op.N is an experimental research and design office based in Toronto and Cambridge. Op.N's work and research exist at the critical junction of architecture, landscape, and urban processes. The office investigates the operational networks of urbanization, their dialectical relationship to urban agglomerations, and the existing and potential spatial registrations that arise from contextual frictions of such relationships.
