

KIAN GOH, RA, PHD

UCLA Luskin School of Public Affairs
Department of Urban Planning
Los Angeles, CA 90095
347-526-5296
kiangoh@ucla.edu

EDUCATION

Ph.D., Urban and Environmental Planning, Massachusetts Institute of Technology, Department of Urban Studies and Planning, Cambridge, MA, September 2015

Dissertation: "A Political Ecology of Design: Contested Visions of Urban Climate Change Adaptation"
Committee: Lawrence Vale (MIT, Chair), Gabriella Carolini (MIT), Neil Brenner (Harvard)
Dissertation defense completed August 2015; general examinations completed Dec 2013

Research Funding:

American Institute for Indonesia Studies-CAORC Research Grant, 2015

US-Indonesia Society Research Travel Grant, 2015

Harold Horowitz Research Fund, 2014

William Emerson Travel Fund, 2014

MIT Center for International Studies (CIS) Summer Study Grants, 2013 & 2014

Harvard Program on the Study of Capitalism Research Fellowship, 2013

Aga Khan Program for Islamic Architecture (AKPIA) Travel Grant, 2013

PEGS (Program on Environmental Governance & Sustainability) Graduate Fellow, 2011-12

Lloyd & Nadine Rodwin Fellowship, 2011-12

Master of Architecture (M.ARCH), Yale School of Architecture, New Haven, CT, 1999

H.I. Feldman Prize for best studio project, Cecil Balmond-Jane Harrison studio, 1999

James Gamble Rogers Memorial Scholarship

David Taylor Memorial Prize for Architectural Criticism

AIA Scholastic Award

Yale Urban Design Workshop Fellow

Fontainebleau Summer Program in Architecture and Fine Art, Fontainebleau, France, 1997

B.A., College of Wooster, Wooster, Ohio, 1996, Major in Mathematics, College Scholar Award, Dean's List

PROFESSIONAL AFFILIATIONS

Registered Architect in New York State; **NCARB**-certified

LEED (Leadership in Energy and Environmental Design) accredited professional, 2009-present

TEACHING & RESEARCH APPOINTMENTS

UNIVERSITY OF CALIFORNIA, LOS ANGELES, Assistant Professor, Luskin School of Public Affairs, Department of Urban Planning, Los Angeles, CA, 2016-

Urban Futures: Space, Ecology, Society, Winter 2017

Graduate seminar on theories of urban ecological change; approaches for urban-nature research

MASSACHUSETTS INSTITUTE OF TECHNOLOGY, Urban Studies and Planning, Cambridge, MA, 2013-

Resilient Cities Housing Initiative, Associate Director/Research Affiliate

Research initiative investigating successful strategies for resilient urban housing

HARVARD UNIVERSITY GRADUATE SCHOOL OF DESIGN, Cambridge, MA, 2012-

Urban Theory Lab, Research Affiliate & member of coordination team
Research lab exploring global urbanization and the “planetary hinterlands”

NORTHEASTERN UNIVERSITY, Assistant Professor, Urban Landscape, School of Architecture; Faculty Affiliate, School of Public Policy and Urban Affairs; Faculty Affiliate, Asian Studies, Boston, MA, 2015-2016

Cities, Landscape and Contemporary Culture, Spring 2016

Undergraduate lecture course on designed urban environments in contemporary global culture

Sustainable Urban Systems, Spring 2016

Graduate Master of Design studio on urban environmental planning and design

Pro-Seminar: Issues in Designed Urban Environments, Fall 2015

Graduate Master of Design seminar on theories of urban ecological change; approaches and methods for urban-nature research

MASSACHUSETTS INSTITUTE OF TECHNOLOGY, Instructor, Urban Studies & Planning, Cambridge, MA, 2012-2014

Big Plans & Mega-Urban Landscapes, Instructor, spring 2013, 2014

Undergraduate hybrid seminar and workshop exploring the physical, ecological, social, political, and economic implications of large-scale urban plans in the national and global context

Thesis Preparation – City Design & Development, Graduate Instructor to Prof. B. Ryan, fall 2014

Introduction to Urban Design and Development, Graduate Instructor to Prof. L. Vale, fall 2012

THE NEW SCHOOL, New York City, Part-time Assistant Professor, **Parsons The New School for Design** and Tishman Environment and Design Center, 2004-2011

Ethics & Economics of Sustainable Design, fall 2007, 2008, 2009, 2010

Seminar exploring ethical, social, and economic implications of sustainability: the roots of our ecological crisis, the history and theory of environmental rights, concepts of our relationship with nature, and issues of environmental justice; presents concepts of ecology, natural capital, biomimicry, and whole-systems thinking

Design & Visual Ecology, fall 2010

Hybrid seminar and studio exploring design, visual rhetoric, and communications in environment studies

Information Design, spring 2010, 2011

Core design studio exploring complex data graphics and information design

Foundation Design Laboratory, fall 2009

First year studio exploring art and design in the social, economic, and cultural context of NYC

3rd Year Design Studio, spring semester, 2006–2008

Core 3rd year design studio; green dorms (2008); Lower Manhattan Museum (2007); play & food (2006)

Program: Concept & Representation, fall semester, 2004–2008

Programming and pre-schematic design, 3rd year core curriculum; projects for Grand Central Terminal

Innovation Seminar, fall 2006

Core curriculum seminar on innovation in design

UNIVERSITY OF PENNSYLVANIA, Philadelphia, Lecturer/Studio Critic, School of Design, 2010-2011

Arch 502 - First-Year Graduate Design Studio, Studio Critic, spring 2010, 2011

Graduate architectural design studio; focus on architecture in the city and the relationship between urban systems and form. Students work on an architectural project with complex program and site, using

parametric modeling to map 3-dimensional social, political, economic, and spatial conditions of the city.
Spring 2011: Pleasure & Crisis, architecture and water, a recreation space and bathhouse on the river
Spring 2010: Art|Act, "Arts in the City," a community-oriented space for making and displaying art

WASHINGTON UNIVERSITY IN ST. LOUIS, Adjunct Lecturer, School of Architecture, 2009

Nature & Housing, graduate elective seminar, spring 2009

Seminar exploring the historical and cultural connections between dwelling and nature, and implications for affordable housing; urban design and housing theories and precedents, technologies and materials, and informal models; students proposed an urban housing project in St. Louis, including program, financing, and concept design

NEW YORK INSTITUTE OF TECHNOLOGY, New York City, Adjunct Faculty, Department of Architecture, 2006

2nd Year Architectural Design Studio, fall 2006

Core design studio; projects for a Central Park gate building and a branch public library

YALE UNIVERSITY SCHOOL OF ARCHITECTURE, New Haven, Teaching Assistant, 1998-99, 2003

Citymaker studio, guest critic, with Winy Maas, spring 2003

New York City as a generative laboratory for urban form and program

Senior Urban Studies, with Michael Haverland, spring 1999

The Contemporary City, with David Turnbull, spring 1999

Introduction to Architecture, with Alec Purves, fall 1998

INVITED JUROR to architectural and urban design studio reviews, 2003-2016, at **Yale University, Harvard University, Massachusetts Institute of Technology, University of Texas at Austin, Columbia University, Cornell University, University of Pennsylvania, Barnard College, Pratt Institute, NYIT, and Parsons the New School for Design**; **INVITED JUROR, Arquitectum New York 2007** urban architecture competition

ADVISING

Thesis Reader, Catherine Ferrara, thesis on design competitions for urban resilience, Master in City Planning, MIT, spring 2016

Thesis Reader, David Isaak, LGBT asylum seekers in Massachusetts, Master in City Planning, MIT, fall 2015 - spring 2016

Directed Study Advisor, Muge Undermir, study on community resiliency, Master of Design in Sustainable Urban Environments, Northeastern University, fall 2015

Informal advisor for development of social change reading group with CoLab, MIT DUSP, fall 2015

Co-editor, *Retrospecta*, Yale School of Architecture journal of work, 1997-98

Co-editor, *architectureview*, Yale School of Architecture student publication, 1998

Editor-in-Chief, *The Wooster Voice*, weekly paper of the College of Wooster, 1995-96

LECTURES, WORKSHOPS & CONFERENCE PRESENTATIONS

History - Urbanism - Resilience, IPHS conference, paper presentation, "Global Learning from the 1953 Dutch Floods to Jakarta's Kampung and Post-Sandy New York," in session on Seeking Urban Resilience Through Affordable Housing, Delft, Netherlands, July 2016

Adaptation Futures 2016, paper presentation, "New Spaces of Flows: Global-Urban Networks in Climate Change Adaptation," in session on Urban Processes of Climate Adaptation, Rotterdam, Netherlands, May 2016

Invited Presenter, "**Place/OUT: Planning for Radical Queer Activism**," Spitzer School of Architecture at the City College of New York, New York, upcoming May 2016

Workshop on the Future of Progressive Ideas in Planning, Invited Participant, MIT, Apr 2016

Representing Ambience Today, Invited Presenter, "New Spaces of Flows: Global-Urban Networks in Climate Change Adaptation," in "Implosions/Explosions: urban ambience" session, University of Waterloo, Apr 2016

AAG Annual Meeting, Organizer and Panelist on "Spatializing Urban Climate Change Governance" panel, San Francisco, Apr 2016

AAG Annual Meeting, "Making Room for Water? Contested Visions of Urban Adaptation and Development," selected paper presentation on "Why Does Everyone Think Cities Can Save the Planet? Grey Urban Natures and the Promise of 'Smart' Technology" panel, San Francisco, Mar 2016

University Scholars Seminar series, Invited Speaker, "A Political Ecology of Design," Northeastern University, Mar 2016

Re-Imagining Urban Form and Policy in a Global Economy – The (Im)possibility of Design, UBC SALA/SCARP Urban Design Forum, paper presentation, "Designing Urban Climate Change Adaptation," Vancouver, Mar 2016

Planning for Queer Lives, Invited Presenter, "Place/OUT: Planning for Radical Queer Activism," event hosted by Queer Cultural Center and California College of the Arts Architecture Division, San Francisco, Mar 2016

Justice and the City, ACSP Annual Conference, paper presentation, "A Political Ecology of Design: Contested Visions of Urban Climate Change Adaptation," Houston, Oct 2015

Justice and the City, ACSP Annual Conference, Invited Roundtable Participant, "Planning for the LGBTQ Community – Moving Beyond Queer Space," Houston, Oct 2015

Queer Planning and LGBT Youth Homelessness, Invited Discussant, *Queers in the Built Environment*, MIT Urban Studies & Planning, Oct 2015

Planning Ideas That Matter, Invited Panelist, "Resilient Cities: Clarifying Concept or Catch-all Cliché?" MIT Urban Studies & Planning, Sep 2015

Queer Professionals in Planning, Design, and Development, Invited Panelist, *QuBE*, MIT Urban Studies & Planning, Feb 2015

Carmin Symposium on Climate Adaptation, Invited Facilitator, Design & Infrastructure Working Group, MIT Urban Studies & Planning, Dec 2014

"**(How Does) Climate Change Planning**," Invited Lecturer for Urban Interventions course, Prof. Neil Brenner, Harvard Graduate School of Design, Cambridge, Nov 2014

Big Ideas, Global Impacts, ACSP Annual Conference, "Making Room for Water? Urban Adaptation & Uneven Development in Jakarta," Philadelphia, Nov 2014

Designing Adaptation – Adapting Design, Invited Presenter, Rujak Center for Urban Studies, Jakarta, Jul 2014

MIT Sustainability Summit, Invited Moderator for panel on Design for Resilience for Coastal Cities, MIT, Cambridge, May 2014

Unconventional Wisdom: Learning in International Development Practice, Invited Panelist, MIT Department of Urban Studies and Planning, Cambridge, May 2013

Rethinking International Planning Education, Invited Participant, organized by MIT DUSP and ACSP Global Planning Educators' Interest Group, Cambridge, May 2013

New Constellations, New Ecologies, ACSA Annual Meeting, "Global Garden City: Trans-Territorial Ecologies in Singapore," paper presentation on "Rapid Cities: Prototyping Urban Growth" panel, San Francisco, Mar 2013

AAG Annual Meeting, "Global Garden City: Trans-Territorial Ecologies in Singapore," selected paper presentation on "Territory, Politics, and Economies in East Asia" panel, Los Angeles, Apr 2013

Yale Women in Architecture, Invited Panelist, "Architects and Activism," New Haven, Dec 2012

Global Sustainability Working Group, MIT Center for International Studies, "Global Garden City: Trans-territorial Ecologies in Singapore," Cambridge, Nov 2012

Writing Cities, MIT-Harvard-LSE graduate student conference, "Island-City Limits: Singapore's Urban Determinism (And Speculations on a Decolonial Approach to Matters of the Planetary)," Cambridge, May 2012

American Association of Geographers (AAG) Annual Meeting, "Building-Nation-City: Urban Determinism in Postcolonial Singapore," NYC, Feb 2012

Pratt Institute Diversity Symposium, lecture on "Design and Social Justice," Pratt Institute, NYC, Apr 2011

Vertical Urban Factory, "Icestone/Glass 2.0," lecture on local manufacturing, Skyscraper Museum, NYC, Apr 2011

QPenn PechaKucha, presenter, "Recurring Re-queering," Univ of Pennsylvania, Mar 2011

PennGALA, panelist, "What is Gay Art?" Univ of Pennsylvania, Oct 2010

Demystifying the Design Profession, "Architecture & Justice," speaker/panelist, Univ of Pennsylvania, Oct 2010

Towards a Just Metropolis, conference on urban planning and social justice, presenter, *queer|space|home* research and Red Hook Initiative community center, Berkeley, Jun 2010

Parsons Summer Intensive Session, presenter, architectural projects and research, Jul 2010

Parsons School of Design Strategies, panelist, panel on design collaborations, May 2010

QPenn PechaKucha, presenter, architectural research and community activism work, Univ of Pennsylvania, Mar 2010

Business of Sustainable Design, co-organized panel discussions, Parsons The New School for Design, 2009-10

Citizen Architect, interview in *AIA Angle* on civic engagement and architectural practice, May 2009

Unspoken Borders: The Ecologies of Inequality, presenter, "queerspaces," Univ of Pennsylvania, April 2009

Do Something! Asian American Alliance Conference, "Queer APA Organizing in NYC," Columbia Univ, Apr 2006

Taking Back the Media: Creating our own Queer Asian Images, co-organized panel discussion, with Q-wave, Sep 2005

Building for the Future: Green Design for an Urban Campus, panelist, Barnard College, April 2004

PROFESSIONAL PRACTICE

SUPER-INTERESTING! architecture . design . strategies, Brooklyn, NY, Founding Partner, 2005-present

Red Hook Initiative Extension, Brooklyn, NY, 2014-2016

1700sf extension to **community center** previously designed by SUPER-INTERESTING!

Chinese Staff & Workers Association, New York, NY, 2010-2012

Design for a 3000sf **office and community center** in Chinatown for a workers' rights organization

Red Hook Initiative, Brooklyn, NY, 2008-2010

3000sf **community center** providing workshops to area residents, primarily youth who live in NYCHA public housing. Projected LEED-Silver certification. **Building Brooklyn Awards 2012** winner for community development

Icestone Glass 2.0, New York, NY, 2008

Sustainable processes research and consulting for a recycled glass surfaces company in the Brooklyn Navy Yards

Audre Lorde Project, New York, NY, 2007-2010

Capital campaign coordination & architectural designs for new 2500sf office for a LGBT **organizing center**

Barnard College Residence Halls, New York, NY, 2007-2011

Masterplan and design for the sustainable design renovation of three **residence halls** at Barnard College

BLANK SL8 at the Port Authority Bus Terminal, New York, NY, 2008-09

Design and construction of a 2500sf **art & fashion exhibition space** in the Port Authority Bus Terminal building

Savage House, Phoenicia, NY, 2007

1600sf **country house** designed with sustainable materials & technologies for a cook & restaurant owner

Pier 40 LGBT Youth Center, New York, NY, 2007-2010 (With FIERCE)

Architecture concept designs, program, and budget for a campaign for a **youth community center** on Pier 40

Greenburgh Habitat House, Greenburgh, NY, 2008-09

With Habitat for Humanity Westchester. Design for low-cost, sustainable renovation for a fire-damaged **house**

Green(e) Roof, Brooklyn, NY, 2007

Roof garden with deck, photovoltaic panels, and green roof for a 1895 co-op building in Clinton Hill

Schnell-Mccarty Residence, Brooklyn, NY, 2005/06

Renovation and penthouse/roof garden addition to a 3000 sf 2-storey **townhouse** in Carroll Gardens

Fr. Sanderson Center, White Mountains, NH, 2004

Design for a 9000 sf **retreat center** for St. Jude's Liberal Catholic Church, residence, guest house, chapel

WEISS/MANFREDI ARCHITECTS, New York, NY, Project Architect, 1999-2005

Barnard College Nexus, New York, NY, 2003-2005

Project Architect; programming through design development, 100,000 sf **student center & arts building**

Brooklyn Bridge - FDR Interchange Masterplan, New York, NY, 2004

Project Architect; **urban design study and proposal** for the Brooklyn Bridge and Park Row area with the Lower Manhattan Development Corporation (LMDC)

Smith College Campus Center, Northampton, MA, 1999-2003

All phases of design from schematic through CA and FF&E for the 57,000 sf new **campus center**

Olympic Sculpture Park of the Seattle Art Museum, Seattle, WA, 2003

Led the competition-winning design team for a proposal for the urban **landscape/sculpture park**

Scholastic Conference Center, New York, NY, 2002

Schematic through construction documents for 30,000 sf renovation to 6th floor **conference center**

MVRDV, Rotterdam, The Netherlands, 6-8/1998, 2/2001

Eyebeam Institute, New York, NY, competition entry research, design, and text

Metacity/Datatown, exhibition and book, design and research

Thick Tower project, Rotterdam, concept design and presentation book

Dongezone housing, Tilburg, The Netherlands, concept design

ADDITIONAL AWARDS, GRANTS & EXHIBITIONS

Point Scholar, recipient of national LGBT scholarship given by Point Foundation, 2011-2015

Building Brooklyn Awards, Red Hook Initiative community center, award in community development, NYC, 2012

ONE PRIZE, "Water as the 6th Borough: Open International Design Competition to Envision the Sixth Borough of New York City." Semi-finalist, NYC, 2011

Vertical Urban Factory "Glass 2.0" glass recycling plant project for Icestone, Skyscraper Museum, NYC, 2011

New York State Council on the Arts (NYSCA) Independent Projects Grant for an architecture, urban design, and policy research study on the spaces of LGBT homeless youth in NYC, 2010

New Haiti Schools. "Heat Rises, Haiti Rises," recommended flagship project for the Haitian School Block Competition organized by Architecture for Humanity, 2010

Newark Visitor Center. Fourth place prize in the international architectural competition sponsored by AIA Newark, NJ, 2010

New York Now. Green(e) Roof project. Center for Architecture, New York, NY, 2007

New Schools. 30 selected projects from the Perth Amboy & Robbins schools competitions, Cornell Univ, 2006

SERVICE

Academic

Visiting Faculty Search Committee, School of Architecture, Northeastern University, spring 2016

Curriculum Committee, School of Architecture, Northeastern University, fall 2015 - spring 2016

Doctoral student member, International Development faculty search committee, MIT, 2013-14

Doctoral student member, City Design & Development Group PhD admissions committee, MIT, spring 2013

Doctoral student member, PhD Committee, MIT, Urban Studies & Planning, 2011-2012

Doctoral student member, search committee for faculty in ecology, MIT, Urban Studies & Planning, 2012-13

Professional and Community

Point Scholar, community service conducted as part of scholarship, including service with Massachusetts Trans Political Coalition, the Rainbow Lounge at MIT, and Re:Vision Urban Farm, 2011-2015

Greening Western Queens Fund, invited resource person for community visioning sessions, 2010

Leveraging Investments in Creativity (LINC), invited reader for *Space for Change* Grant Program, 2009, 2010

Audre Lorde Project, Brooklyn, NY, Board of Directors, and Chair of Capital Campaign, 2007-2010

SPEAC School, Brooklyn, NY, member of the Board of Advisors, 2008-2009
