

MARIANO GOMEZ LUQUE

Architect / Universidad Nacional de Cordoba FAUD (hons)
Master of Architecture / Harvard Graduate School of Design (hons)
Doctor of Design Candidate / Harvard Graduate School of Design (ongoing)

Nationality: Argentine
Address: 891 Mass Ave. #7, Cambridge, MA
Mobile: 857 756 3219

Mariano Gomez Luque is an architect from Argentina, a Doctor of Design Candidate at the Harvard Graduate School of Design, a Research Fellow at the Urban Theory Lab and the Office for Urbanization, and Editor of the *New Geographies* Journal. Mariano's research investigates the complex relations between architecture and the dynamics of planetary urbanization, its associated processes of radical technological change, and the production of space at multiple scales under contemporary capitalism. He holds a Master in Architecture degree (with Distinction) from the Harvard GSD where he received the *Kevin Kieran Prize* for Highest Academic Achievement and the *Templeton Kelley Prize* for Best Final Design Project, as well as the *Dean's Merit Award*.

MARIANO GOMEZ LUQUE

Architect / Universidad Nacional de Cordoba FAUD (hons)
